

How Academic Students in the U.S. Access CompTIA Academic Pricing

CompTIA offers academic pricing for students at U.S. degree granting Title IV universities and U.S. high school Junior and Senior students who are 16 years of age and older.

Please follow these instructions to receive student pricing.

1. Create your student account.
2. At checkout you must select your institution from the dropdown list (simply enter a few characters of your school's official name to begin). After your school is selected, you will be asked to fill in your date of birth. Once the information has been validated, you will be able to complete your purchase.

**Validation process is through a third-party vendor.*
